Family Admission Policy

- Under the Family Admission Policy, kindergarten eligible siblings will be accepted into the kindergarten program if an older sibling is currently enrolled and in attendance at the school at the time the younger sibling becomes eligible to register for kindergarten. For the purposes of this policy, a kindergarten eligible sibling must reside in the same household as and share a custodial parent of the other qualifying sibling. This includes a foster child, adopted child, step child, or a child for whom the parent of the qualifying older sibling has legal guardianship.
- When kindergarten eligible students are accepted under the Family Admission Policy, parents/guardians must register their student(s) for kindergarten during Spring Kindergarten Registration and have an approved application on file. These incoming students will not be placed in the kindergarten lottery, but will be placed on a kindergarten class list.
